

First Ladies Association for Research and Education (FLARE)

Online Member Resources

*Sign-in required

Member Benefits

Member Profile*: Create a user ID and password to establish your member profile. Then sign in to access your member-only benefits.

Member Directory*: Network with peers and meet new colleagues who share your expertise and accomplishments.

Research Circles*: Create a research circle with other members to conduct research, plan a book proposal, write a conference paper or article, create a podcast, design a course, and more.

Networking Central*: Let FLARE connect you with members for advice, speakers, programs and educational materials.

FLARE Experts Bureau*: Appear on FLARE's public-facing expert list to speak at conferences, webinars and other forums.

Awards & Grants

Member-Only Lewis L. Gould Award*: Be nominated for or nominate someone for our most prestigious annual award named after noted First Ladies scholar Dr. Gould. Award is presented to a member with a noteworthy career or a distinguished contribution to this field.

Member-Only Research and Education Grants*: Apply for research grants for your articles, books, educational programs, courses, and more.

Events

Calendar of Events: See what's coming up at a glance and add to your calendar.

Past Programs: Find past programs and events easily and quickly if you missed one or would like more information on the subject.
